Kindergarten News
May 11, 2018

Only 6 more days of school remaining. Next week is a full week with our kindergarten program on Friday, May 18th at 12:15 in the gym. Monday, May 21st will be the last full day of school. Report card pick up will be Thursday, May 24th, 2018.

It only seems like yesterday that we began this journey. I am so very proud of this group and their hard work. Just as you have reviewed during the school year, it will be imperative that you have review and practice time during the summer. The children are screened within the first few days of school in first grade. I sent the first grade screening sheet earlier.

We will continue to practice and review all next week. I will not be sending formal homework home. Please send back packs daily next week as I will begin sending things home as I come across them for the end of the year.

Happy Mother's Day

to any and everyone who has a hand in the nurturing and raising of a young child! We are one momento short, but it will come home next week. The laminator was not available.

Have a fabulous weekend!
